

May 24, 2021

As a reminder a memo was sent out last week detailing a price increases that will be put into effect July 3rd. [If you did not receive the memo on May 17th, click here for copy.](#)

Digital copies are now available and can be accessed here:

[CACO Price Guides 2021](#)

Please note we will be launching a new Dealer login page that will allow access to current price guides along with other information. The website will be updated soon and an email with more information on how to access this page will be sent out next week.

Thank you for your continued support and we look forward to working with you.
