WINDOW FASHIONS

## ABOUT US

Founded in 1989 by Conley & Don Dockery, CACO, Inc. Window Fashions started out as a modest mini blind fabricator. Over the past 35+ years we have grown from those humble beginnings to become a manufacturer of a large variety of custom window covering products including Roller Shades, Wood and Faux Wood Blinds. We also provide a strong offering of distributed products such as Aluminum Blinds, Woven Woods, Dual Sheer, Cellular and Sheerview Shades along with our Louverstar Shutter. As we've grown it has always been our goal to provide a quality product at a fair price.

## OUR LOCATION

Nestled in the mountains of northeast Tennessee, our centralized location in Johnson City has quick access to several interstates allowing us to provide 1 to 2 day delivery times to a large portion of the US.

- Government Buildings
- Military Facilities
- High End Hotels
- Budget Motels
- Hospitals
- Senior Residences
- Rental Apartments
- Housing Developments
- Office Buildings
- Schools
- Restaurants
- Retail Areas

**Serenity Roller Shades**, available in large range of screen and blackout patterns with manual, motorized or cordless controls all built with Rollease componentry.

**Avalon Faux Wood Blinds** provide you with the look of wood but are a more durable and cost effective product.

**Cordless Fast Faux Wood**, our imported blind, is cut down to your requested size and provides the look of our custom Avalon Faux Wood Blind with a much quicker delivery time.

**Delta Woods** provide the natural warmth with the classic elegance of wood blinds.

**Aluminum Mini Blinds**, available in a multitude of colors, are suitable for both contract and retail applications.

**Designer Natural Woven Woods**, a natural woven shade with lots of options that provide a classy option for windows.

**Dual Sheer Shades**, also known as Zebra shades provide the look of a shade but also provide the open look of a blind.

**Boone Cellular Shades** provide the classic look of cell shades in a large range of fashion colors.

**Sheerview Shades** are essentially a fabric blind designed with a floating horizontal fabric vane between two fabric sheers.

**Louverstar Shutters** constructed with solid poly material and reinforced louvers these shutters provide a quality and strength.
